## Instructions

- Cut out all pieces out of felt or fabric.
- Fold **Flower Centre** piece in half lengthways and cut on folded edge every 1/4".
- Glue **Flower Centre** in half lengthways.
- Roll and glue **Flower Centre** tightly into a spiral.
- Glue one **Flower Petal** piece around base of **Flower Centre**.
- Continue to glue **Flower Petals** in a spiral fashion around centre to form a flower.
- Glue **Flower Base** to itself overlapping slightly to form a cone like shape.
- Glue **Flower Base** to back of flower. This will help keep the petals in shape.
- Glue pin back on the back of flower and cover pin base with small square scrap of felt.

## Optional

- Cut 2 ribbons
- Stack ribbons and fold in half
- Glue to back of completed flower
